I emailed them the option summary we worked on in the email. They forwarded it to the FO and apparently Tinka wants a briefing.

Attached is the Word document - stupid SharePoint won't let me give you access for some reason.

Thx. I'll review this afternoon. I need access approval. Also, did you run the 3 FA Approval options by your management? Any word on that?

Hi John,

Here's a link to an updated briefing paper for our DD. Please take a look and make edits in Tracked Changes.

Thanks,
Pete
